

Antique Valuation Day

Saturday, October 29, 2022

PBS KVIE

2030 W. El Camino Avenue

Sacramento CA, 95833

HOW IT WORKS:

Attendees should initially keep their whole day free. You will be scheduled for an appointment time in one of the following time blocks: **9:30 – 11AM OR 11AM – 12:30PM OR 1:30 – 3PM**

*Staff and volunteers break for lunch 12:30PM – 1:30PM. There will be no appointments during this time.

ITEM VOUCHERS:

You will receive an "Item Voucher" for each item you choose to bring. For example, if you'd like to bring a table, and a painting, you will need two vouchers (one for the table and one for the chair). Vouchers will serve as your admission to the event.

WHAT HAPPENS AT THE EVENT:

Specialists from Clars Auction Gallery will be at PBS KVIE to provide verbal valuations on hundreds of items! Specialists will be present in each of these four categories:

- Fine Art
- Furniture and Decorative Arts
- Asian Art
- Fine Jewelry

When you arrive, PBS KVIE staff and volunteers will check you in and guide you to the appropriate specialist. Be prepared to wait in line, although ample seating will be available. You are encouraged to take notes — valuations are not intended to be used for insurance purposes. Typically, valuations last about 5 – 8 minutes with the specialist, depending on the item(s).
